

From Kasie Terrio: Lilo & Prissy

Hello! I wanted to give everyone a happy story about two! Of the animals we adopted from the SPCA First is our little German Shepherd/Husky cross you guys called Lilo ^.^ She'd been in foster care with Sumee and she was a very rambunctious little puppy. Well Lilo (we kept the name love it it suites her very well) is still very rambunctious and hyper but when we adopted her there was concern for her 'bad manners' we got her into puppy classes and I'm happy to report she's a very obedient happy girl, she's a wonderful companion and we love her more every day! She loves to play and do tricks her favorite is roll over and crawl, she's in love with everyone and wants to be their friend! She makes sure that every dog and person is her friend!

We couldn't as for a better girl, she's very smart and She's the sweetest little girl you'll ever meet and she's made herself right at home in our little family!! ^.^

The other one I would like to update you on is our little cat we adopted she's a black and white snowshoe cat that you called Prissy, well she's still Prissy and I have to say she's one of the funniest cat's I've ever had! We were afraid when we first brought her home she hid in the couch and didn't come out from what we saw for anything, we thought she might never come out! Well now she's right at home she's the princess cat and you'll bow down to her! She loves the back of the couch and plays with Lilo all the time chasing her around the house! She's a guard cat at the very most any time she hears a strange sound she's on it investigating what's going on! She sleeps atop of the pillows with me and my fiancée making sure that everyone is in line she's our little angel and she makes sure she knows where everyone and everything is at all times, always talking to you sitting on the end of the bed and meowing at you as if she's talking! The best cat I've ever had!

I just want to say THANK YOU! I love my animals so much and couldn't think of any cat and dog I'd rather have than our girls our little princesses!

Much love from our family to yours!
