

From Elizabeth Kjellstrand :  
Marmalade Gwendolyn Shafer Kjellstrand

"I feel compelled to write a note to the Humane Society to say THANK YOU! for the most wonderful cat in the world! My son and I went to the Humane Society of Bexar County in October, a month after our sweet, 12 yr-old grey tabby, Jezibel, passed away. I was actually looking for a male kitten with my son. Then we saw this man in one of the pet rooms meeting different kittens. One of the cats he asked to see was this friendly orange and white kitten. I have no idea why he didn't choose her, but maybe it was divine intervention. My son and I looked at two male kittens and then I decided, let's see that cute orange and white one. When she was brought to the room she was so sweet and friendly. I knew that this was *\*exactly\** the cat that we wanted in our family. She even has a heart shape on her left side. She was originally named "Gwen" (at the shelter), so her official name is Marmalade Gwendolyn Shafer Kjellstrand. She is an absolute blessing to our home - a warm and caring cat, so loving to all guests and sweet to both my son and daughter (ages 6 and 5). Thank you so much for the work that you do - giving these animals a second chance! Our home is a happier place."
